SMALL DORPIES IN BOKONE BOPHIRIMA

Facilitator: Dr M Leballo, DDG (OOP)

Presentation: Mr Davis Sadike (NWDC)

Rapporteur: Mrs Hantie Hoogkamer (NWDC)

29 November 2017

SMALL DORPIES IN BOKONE BOPHIRIMA

There are 23 Small Dorpies in the province and they should be seen as part of the farming communities that surround them.

Challenges

Young people leaving.

Older citizens remain.

Old established dorpies. (advantaged conditions)

Solutions

Need a strategy to enhance SDs by building on current advantages and improving infrastructure / modernise. (Municipalities)

Consider history.

Introduce new lifestyles.

Retain youth.

Identify methods of industrialisation of small dorpies.

Identify clusters and nodes and develop routes.

RECOMMENDATIONS

- Municipalities to play a key role in the integration of these plans into their IDP's
- VTSD Chambers of Commerce office bearers to be taken through an induction programme in respect of all economic development areas per ward
- Responsible partners and champions per to further refine and plan identified opportunities for viability and impact (Social, economic and environmental)
