These must be supported by certified copies of educational certificates and Identity Document. Driver's License must be submitted for posts where it is required. Both sides must be copied and be clearly visible. Applications with foreign qualifications must submit a SAQA evaluation report on the qualification. Incomplete applications will not be considered. It will be expected of candidates to be available for interviews on the date and time and at a place as determined by the Department. Appointment of successful candidates will be subject to the result/outcome of Personnel Suitability Checks. Failure to comply with the above requirements will result in the disqualification of the application. Due to the huge number of applications for posts, acknowledgement of receipt of applications will not be done.

The Department reserves the right not to make appointments. Correspondence will be limited to short-listed candidates only.

Technical and competency assessment for SMS posts

All shortlisted candidates for SMS posts will be subjected to a technical exercise that intends to test relevant technical elements of the job, the logistics of which will be communicated by the department. Following the interview and technical exercise, the selection committee will recommend candidates to attend a generic managerial competency assessment (in compliance with DPSA Directive on the implementation of competency-based assessments). The competency assessment will be testing generic managerial competencies using the mandated DPSA competency assessment tools.

SMS pre-entry certificate

It is compulsory for applicants of SMS posts to complete the pre-entry course for SMS and submit the Certificate for entry into the SMS with the application. To access the SMS Pre-entry Certificate course and for further details, please go to the following link: <https://www.thensg.gov.za/training-course/sms-pre-entry-programme/>

For more information regarding the course please visit the NSG website:
