Sebegoe to table 2014/2015 North West Provincial budget

The North West MEC for Finance Paul Sebegoe will table the 2014/2015 Provincial budget and also have an opportunity to tell the people of the province a good story of how the province fared in terms of budget expenditure in the twenty years of democracy as follows.

Date : Tuesday, 11 March 2014

Time : 08:30

Venue : North West Provincial Legislature 2014

"As a country we have come a long way and weathered many storms. As a province we also have a good story to tell of how the twenty year democracy has changed the lives of our people for the better. Our budget allocation has and will continue to give priority to our social cluster to ensure that we address all social challenges facing us whilst not neglecting others in order to move our country forward," says MEC Sebegoe.
