MEC Nelson to table departmental Budget Speech for Finance, Economy and Enterprise Development

The MEC for Finance, Economy and Enterprise Development in the Peoples Province of Bokone Bophirima, Ms Wendy Nelson will outline key priorities of her departments when she tables her departmental budget proposal to the Legislature on Thursday, 14 May 2015.

The MEC will outline the department's expenditure proposals in line with Premier's State of the Province Address which will be anchored around the implementation of programmes that seek to improve the socio-economic conditions of villages, townships and small dorpiens (VTSD). The MEC will also expand on other revitalization initiatives which are aimed at amongst other things; dedicated support to small businesses and cooperatives.

According to MEC Nelson, the allocation also makes provision for the implementation of the shared service model for infrastructure development and the recruitment of experts in the local government sphere. Furthermore, it will assist the department to continue to provide leadership and support provincial departments, public entities and municipalities for improve financial
