### **MEC Rosho to table the Provincial Mid Term Adjustment Budget**

In compliance with Section 31 (1) of the Public Finance Management Act (PFMA), Act no 1 of 1999 as amended, the MEC for Finance, Ms. Motlalepula Rosho, will table the 2020/21 Provincial Adjustment Budget at the North West Provincial Legislature. This is subsequent to the tabling of the Mid-Term Budget by the Minister for Finance, Mr. Tito Mboweni.

The Mid-Term Adjustment Budget will, after emergent reprioritization of funds to accommodate the National State of Disaster, focus on re-allocation of funds to key provincial priorities in a bid to catalyze economic activity after immeasurable losses in the past seven months.

An adjustment budget of a province provides amongst others, for the appropriation of funds which have become available to the province; and shifting of funds between and within votes.

### **The 20/21 Provincial Adjustment Budget will be tabled on:**
