MOTLOGELWA ANNOUNCED AS MAFIKENG ADMINISTRATOR

The Provincial Treasury MEC, Louisa Mabe today announced the appointment of Mr Jonny Motlogelwa as administrator of Mafikeng Local Municipality. His appointment follows the decision by the provincial government to invoke Section 139 (1) b of the Constitution, which put the municipality under administration.

MEC Mabe said the administrator will stay at the municipality for a period six of months to assist the council to regain its feet in getting the administration and service delivery standards in order. Mabe further stated that the cooperation of the council with the administrator is of utmost importance as it will determine his stay in the municipality and the confidence of the provincial government to trust the council to run the municipality on its own after his tenure.

“We therefore request the council to do their work and communicate constantly with the administrator thereby providing information that will assist the administrator to do his work. The administrator must also inform the council on the developments registered as this will help the council to be on board so that when he leaves, they are able to carry out their mandate”, said MEC.

Mafikeng Local municipality is the fifth municipality in the province to be placed under administration. Others are Madibeng, Moses Kotane, Tswaing local municipalities and Ngaka Modiri Molema District municipality.

Mabe said these interventions will bring stability in these municipalities for better delivery of services.
